DEDICATION

1. We Dedicate this Mission Mobilization Tool to all unsung Heroes of Missions, called to serve the Lord in African Nations especially in the most difficult and dangerous places in Africa whose commitment to do the will of the Father is unquestionable. Your exemplified resilience in the midst of hardship has challenged us to commit to mobilizing more mission mobilizers to help send 1000 missionaries each year to reach Africa with the Gospel.

2. We dedicate this Mission Mobilization Tool to all our esteemed ministry partners who have journeyed with us, enabling us to make the gains we have realised in recent past, we want to thank you for entrusting us with resources and gifts at the right time to bring in the end Time harvest of Souls before it’s too late to work.

3. We dedicate this Mission Mobilization Tool to our Jewish brothers as we register our unwavering support to you and your cause in Israel and to assure you that we will strive to awaken the church in Africa to a place of knowledge regarding her call to stand with Israel, the Jewish people and to accept with continuing faithfulness our Biblical call to “Pray for the peace of Jerusalem” Psalm 122:6

Shalom in Yeshuah!

A NEW BREED OF MISSIONARIES

A new breed of missionaries shall arise on the scene to take their place and run to the nations. These shall be those who have no faces and no identities and who only seek to do the will of the Father. They are as secret service men who have been given specific orders and special plans. Yes, they shall have the order and plan of God for the conquest of the dark nations.

This new breed of missionaries shall be as emissaries and ambassadors representing the heavenly government and the rule and reign of God. They will fight in some of the greatest spiritual battles that have ever been fought, and with "Spirit force" will regain the territories which the enemy has held for generations of time.

This ministry shall be one of many who will collaborate with these in the taking of these nations. You shall help to train them and equip them to go. Impartation shall be made to them of vision, strategies, boldness, fire, and strength. Impartation shall be made to them of the spirit of prayer. All of this shall be necessary for their success.

(Prophetic word to the African Nations - Bert M. Farias)
INTRODUCTION
Afri Missions is an apostolic initiative dedicated to developing mission vision, nurturing missionary vocations, and cultivating missional congregations by helping Christians understand how God is at work in Africa and how they can partner in that work. Afri Mission’s main vision and purpose is Mission Mobilization! We hope to lead the church to rediscover its purpose, calling, and missional center. Every Christ-follower can and should be mobilized to make disciples among the nations. But how much do those who attend your church really understand about the Great Commission? About God’s heart for people groups? About the challenges of making disciples in the diverse cultural soils of our world? And how many of your church attenders are actively engaged in helping reach the nations for Christ? Is your church providing concrete opportunities to get them involved?

THE CHALLENGE
Afri Missions’ 1000 Missionary Mandate is a Mission Mobilization Challenge to mobilize potential mission mobilizers who will train, challenge and deploy 1000 missionaries every year to African nations with a mandate to Advance the Mission of God (Misio Dei), hence the name 1,000 Missionary Mandate was given. With such an army of missionary force, rightly trained, we might furnish and determine how soon the Apostolic Gospel of the Kingdom will reach every people group in Africa and back to Jerusalem.

CORE VALUES
- **Presence** – Manifesting God’s love by loving in intentional, committed relationships
- **Mutuality** – Walking in hope with others in God’s mission
- **Community** – Building interdependence and unity among all God’s children
- **Justice** – Living out God’s radical love by confronting powers that deny the fullness of life and the integrity of creation
- **Peace** – Embodying reconciling relationships with God, humanity, and creation

This workbook is designed to help you equip a team of passionate leaders committed to mobilizing the entire church. In this workbook, you’ll learn how to: 1) Lay the foundations for a Mobilization Team in your church; 2) Evaluate your Church’s Mission involvement 3) Create a plan that includes what your church is already committed to doing, what you plan to continue doing, and ways to grow your church’s involvement in mission 3) And more!
GATHER AND LEARN
Gather a small group together to go through this workbook. This could be a mission committee, outreach committee, church council, Sunday School class, Elders, Deacons, Pastors… anyone really! Together, you will discern your congregation’s commitment to advance the Mission of God (Missio Dei) to help reach African Nations. We do recommend letting your pastor know that you are planning to start this study and make sure they are kept informed about the process.

REFLECT
- **Connections:** What connections do I have to the African Nations community?

- **Interest:** What regions, countries, or cities have always interested me?

As individuals share about connections and interests, try to write them down on a dry erase board or a large sheet of paper for everyone to see.

Read 1 John 4:7 together. Pray together that you may discern as a group the ways in which God is calling you to walk in ministry with God’s people in African Nations.

DISCUSS
- What church leadership might you include to help discern being a Missions Church?

- Are there any individuals and groups in the church that could be involved in this process, too? (Youth, mission/outreach committee, people excited about mission?)
• What do we already know about Afri Missions initiative?

--------------------------------------------------------------------
------------------------------------
--------------------------------------------------------------------------------------------------------

LEARN

• Read the *Afri Missions 101* (About Us) document together. Let each one share what you learned about one of the following: *World Missions; Evangelistic outreach; Missions Teams; Israel Ekklesia Alliance and Africa Nations Fellowship*:

• **Core Values:** Commit as a group to memorize the five core values before the next meeting. i.e *Presence; Mutuality; Community; Justice and Peace*

PRAY

*Heavenly Father, thank you for bringing us together as we discern ways that we can walk alongside your people all over the world. Show us the ways in which we are uniquely equipped to share in community, presence, mutuality, justice, and peace as we work toward a world in which all of your people and creation share in your abundant life. Thank you for loving us and showing us how to love. In Christ’s name we pray, Amen.*
REFLECT

Read Matthew 5:1-16 two times using two different readers. Have the group listen deeply for what words or phrases stood out to them during the readings.

Read the scripture one more time, perhaps even in another language if someone in the group speaks another language. Ask the group to imagine this blessing going out to people all over Africa and beyond – in places like Nigeria and Democratic Republic of Congo, Uganda, Kenya, Tanzania, Israel and South Africa.

PRAY

Heavenly Father, we are grateful for the many ways you share your love with your people. Open our eyes to the many ways we receive and share love with your blessed children all over the world. Help us to discern together how we can be a city on a hill and let your light shine through us. Amen.

DISCUSS

Many churches are already involved in missions. As you continue on the path to be a Missions Church, take the time to celebrate your mission involvement.

• How is our church involved in missions globally?
• How do we financially support missions as a church / Ministry?
This may include, Week of Compassion/Missions Week, disaster appeals, gifts to international Ministries, etc.

• What other international, cross border connections do we have through giving?

• In what ways are we active in connections with Afri Missions co-workers and global partners, including connections through Apostolic Missions Network or African Nations Fellowship?
• How often are global concerns shared with the church?

• Which International Ministries special projects do we support (through funding, training / education, and advocacy), such as *School / Educational Scholarship, Child and Elder Sponsorship, climate, justice, and refugee care etc*?

• What understanding of *Afri Missions Initiative* do our children have?

• What nationalities are present in our congregation or local community? How have we engaged with the cultures present in our church and community?

• Have church members been on a mission trip to another African country? Have members visited *Afri Missions’ partners or mission co-workers* in their travels?
• Have we, as a congregation, or ministry for example, ever sponsored a missions event with Afri Missions initiative, e.g. Afri Missions Summit

-------------------------------------------------------------------------------
-----------------------------------------------------------------------------
-----------------------------------------------------------------------------

• In what other ways is our church Missional?

-----------------------------------------------------------------------------
-----------------------------------------------------------------------------

LEARN

• What did we learn from this evaluation about our church’s missions involvement?

-----------------------------------------------------------------------------

• What do we want to continue and strengthen in our church?

-----------------------------------------------------------------------------
-----------------------------------------------------------------------------
-----------------------------------------------------------------------------
-----------------------------------------------------------------------------

• What new areas do we want to consider in this next phase of our missions involvement?

CREATE A PLAN

Proverbs 21:5 “The plans of the diligent lead to profit as surely as haste leads to poverty.”

As believers, we want to be good stewards of our time, treasures, and talents. Having a faith-filled yet realistic plan can assist us in using our resources wisely and strategically to mobilize more effectively. We invite you to celebrate and grow your involvement in missions! Create a plan that includes what your church is already committed to doing, what you plan to continue doing, and ways to grow your church’s involvement in mission mobilization. Your plan should include but not limited to the following:

1) Praying with partners 2) Educating Church members 3) Seeking Justice 4) Receiving gifts 5) Giving Helps 6) Sending Members 7) Sharing the Story of God’s global Mission

I thank my God every time I remember you, constantly praying with joy in every one of my prayers for all of you, because of your sharing in the gospel from the first day until now. Philippians 1:3-5

PRAYING with partners and Afri Mission co-workers is an important way to engage in God’s global mission.

Do not be conformed to this world, but be transformed by the renewing of your minds, so that you may discern what is the will of God—what is good and acceptable and perfect. Romans 12:2

EDUCATING church members about global concerns.

• Emphasize God’s mission with children and youth in Sunday School, Vacation Bible School, youth group, retreats, or at camp.
• Participate in Afri Missions webinars and virtual educational opportunities.
What does the Lord require of you? To act justly and love mercy and to walk humbly with your God. - Micah 6:8

SEEKING JUSTICE for all of God’s children in the international community.

- Educate and mobilize your church members each year on at least one Afri MIssions advocacy issue.

For I am longing to see you so that I may share with you some spiritual gift to strengthen you - or rather so that we may be mutually encouraged by each other’s faith, both yours and mine. - Romans 1:11-12

RECEIVING the gifts of the global church reminds us that we are not alone in our walk with God and that new perspectives enrich our faith journeys.

- Start or renew a relationship with an Afri Missions co-worker
- Connect with Afri Missions regional initiatives (for example: the East and Central Africa Initiative, Southern Africa Initiative, West Africa Initiative or Israel Initiative)
- Host an in-person or virtual Afri Mission co-worker’s visit in your church.
- Establish a long-term relationship with one of Afri Missions’ partners

I do not mean that there should be relief for others and pressure on you, but it is a question of a fair balance between your present abundance and their need, so that their abundance may be for your need, in order that there may be a fair balance. - 2 Corinthians 8:13-14

GIVING helps to align your money with your values.

- Sponsor a child or elder through Afri Mission’s Sponsorship Program
- Plan to work toward giving regularly as a church / ministry to World Missions Fund
- Work to promote special offerings, disaster appeals, and giving for Week of Compassion or Missions week.
• Support missions through gifts to a special project or towards the work of an Afri Missions co-worker

While they were worshiping the Lord and fasting, the Holy Spirit said, “Set apart for me Barnabas and Saul for the work to which I have called them.” Then after fasting and praying they laid their hands on them and sent them off. - Acts 13:2-3

SENDING members to meet global partners engages in the core value of Presence.

• Plan an international group mission trip to African Nations with your church or ministry through The GPF Apostolic Missions Network Inc.
• Send one or more of your church’s members as an Afri Missions co-worker to serve with one of our partners in African Nations.

You then, my child, be strong in the grace that is in Christ Jesus, and what you have heard from me through many witnesses entrust to faithful people who will be able to teach others as well. - 2 Timothy 2:1-2

SHARING the story of God’s global mission celebrates your congregation’s commitment to global mission and invites others to join.

• Organize a mission event with another congregation in your area to learn and share about the Mission of God to African Nations.
• Enhance your global mission efforts by having at least one of your church members serve on the Afri Missions regional Initiative committee.
• To send at least one member of your congregation to go as a missionary to African Nations
• Help develop a partnership with an international partner in your region.
• Promote Afri Missions Initiative in your church’s newsletter and website and encourage your region to do the same.
While we offer suggestions and ideas, we encourage you to be creative in responding to God’s call. In addition, be realistic and consider implementing your ideas as the Lord speaks to you. Though not exhaustive, the following suggestions are separated into different categories to help you think through various strategies of missions mobilization. A good idea would be to gather your team and spend significant time praying and brainstorming together. It may also be helpful for you to include a timetable for each strategy and/or to prioritize your strategies.

YOUR COMMITMENT

Once you have completed the evaluation and planning process, you are ready to commit to Mission Mobilization in partnership with us. We celebrate this commitment with you! Complete the Partnership Covenant form and send a copy to the address provided on the form. We will add the name of your church to the growing list of Mission Mobilizers and celebrate this important step in the life of your church. (Please request for the form if you do not have a copy. You can also fill the partnership covenant form online or download the same on our website)

Your commitment to Mission Mobilization is to help advance the Mission of God (Misio Dei) to reach African Nations after you have prayerfully discerned how God would have you engage in God’s mission beyond your national boundaries.

You are also committing to partner with The GPF Apostolic Missions Network Inc and the Afri Missions Team, having created a plan based upon the following commitments to be implemented over the next three years:

1. **PRAY** regularly for partners, Mission Co-workers, and the world.
2. **EDUCATE** our members about global issues from preschool age to adult.
3. **SEEK JUSTICE** for the “least of these” in the international community.
4. **RECEIVE** the gifts of the global church (Ekklesia).
5. **GIVE** to the work of Afri Missions co-workers.
6. **SEND** our members into the world to share the Good News of Jesus.
7. **GROW** in sharing the story of God’s mission with others.

Next, start implementing your ideas for celebrating and growing in world mission involvement. Remember, *Afri Missions Team* is here to Journey with you. Please be in touch with us for ways we can support and accompany your church. Our Vision for the 1000 Missionary Mandate is to work with God in training and deploying 1000 missionaries every year to advance the Apostolic Gospel of the Kingdom, wherever they may be called to labour in Africa and to serve the church in Africa by helping her to become a dynamic Missional church in obedience to the Great Commission.
TRAINING & CONSULTANCY ON MISSION:
Training and consultancy on Mission policy, strategy and practice for the constituent Churches and Associations is a key Ministry of The GPF Apostolic Missions Network Inc. Training is also provided in the Mission Field to local leaders. Our Field Training programs are not one-size-fits-all but would be aimed at strengthening the missionaries in their spiritual foundations; giving them training in evangelistic aspects such as preaching and teaching, as well as preparing them to reach souls through Professional / Vocational disciplines e.g. the healing discipline of Medical Missionary work; Business as Mission; Schools / Educational Ministry and other professional disciplines. We seek to partner with individual organizations and with collaborating organizations in a region to execute this mandate.

Who is 1000 Missionary Mandate for?
- **Churches that have established missions’ ministry:** Afri Missions team helps Churches that already have established ministry connect with others who are also working or looking to begin work in the same areas.
- **Churches that are interested in beginning missions ministry**
- **Individuals, couples, and families interested in missions:** Perhaps only a few of your Church members feel called to missions in a particular part of Africa or to partner with the existing work. Through Afri Missions initiative, they can connect with Churches that are actively ministering in those areas.

Through 1000 Missionary Mandate, Churches can learn about who else feels the Lord’s calling to reach their target people groups. They can meet each other, pray for each other, and pool their experience and resources for greater Kingdom Impact.

MEMBER CARE: Afri Missions office strives to provide “member care” to the missionaries by visiting them and attending to their welfare and other needs and much more.
Mobilizing churches is focused on providing opportunities for churches and individuals to get out of the pew and into their communities. When God's people are mobilized, they are on mission ... taking a cup of water to the thirsty, clothing the naked, sharing hope with those in despair.

What you should know is that 1000 Missionary Mandate is not designed to be just another program or ministry model. The goal of this mandate is for your church to become a worldwide mission centre, engaging in the intentional kingdom growing efforts in “Jerusalem, Judea, Samaria, and the ends of the earth.” By accepting the Challenge, churches commit to eight "kingdom-growing" responses as they work to intentionally engage in Mission Mobilization:

- They commit 1) to prepare for their involvement,
- 2) to learn how to become strategically involved,
- 3) to pray for God's leadership in their plans,
- 4) to give of their financial resources to support the mission,
- 5) to go by offering mobilization opportunities,
- 6) to tell the gospel message,
- 7) to send by encouraging members to invest their lives in missions, and
- 8) to multiply by assisting in church starting efforts.

FOUR STEPS TO IMPLEMENT THE 1000 MISSIONARY MANDATE:

1) REGISTER
   Once you have determined where God is calling you to serve after your evaluation and planning sessions, register with us to take up the challenge.

2) PREPARE
   Create a team.
   It’s crucial that you establish a gifted and effective leadership team to guide your efforts. Whether you’ve had a mission committee or team in place for years or are just starting out, this is a good time to carefully evaluate, organize, energize, and focus toward building a team that embraces the Mission Mobilization Mandate. These mission leadership teams have different titles from church to church, but they all share a heart for reaching the world.
Champion the cause.

Your catalytic mission leadership will set the pace and lead the entire church toward greater worldwide impact. Because of this, it’s vitally important that if you are not the lead pastor, your senior pastor should be on-board with the vision. In a very real sense, the pastor is the primary leader, cheerleader, initiator, and instigator in the missionary focus of the church. The most effective churches in establishing a comprehensive, worldwide mission impact are those in which the senior pastor champions the cause.

3) PRAY

A fervent, focused season of prayer for God’s vision and leadership is essential for all those involved in embracing the Mission Mobilization Mandate. Mission leaders must be active seekers of the Holy Spirit’s guidance as they discern how to lead their church to be fully involved in God’s history-long, worldwide mission and as they determine where God is calling the church. After building your team, take time to seek the Lord and His direction.

4) LEARN

Once you discern the Lord’s leading, the next step is to learn (and help your church members learn) about the nation or people group that He has called you to serve.

You may want to consider the following suggestions:

- Plan commissioning services as a tool to help church members become aware of mission needs and how your church is meeting those needs.
- Enlist mission volunteers to share testimonies and reports after they have participated in mission experiences—as individuals or as part of a group or team.
- Encourage your church members to visit missionaries and ministry sites when they travel for business or pleasure. Encourage them to take photos and share their observations.
- Conduct a church-wide mission fair, mission conference, or mission celebration to highlight the work being done in mission fields.
- Participate in mission awareness events
PRAY

We invite you to pray this prayer in faith.

God, we thank you...

- for the opportunities we have to reach out to the world around us and hear what others in the wider world have to say as they bear witness of You in their lives
- for the people in our church who seem to always have the wider world upon their hearts and in their vision
- for our church’s commitment to global mission
- and for the lives of those who have gone before us dedicating their time, talents and gifts in sharing Your love with others.

God, we ask you to...

- continue to show us where You are calling us now, as individuals and as a church, to make a commitment to grow
- help us as a church/ministry to hear the cries of lament and praise of people around the world
- grant us energy and enthusiasm to reach out our hands, to receive and respond with grace
- use our voices to proclaim the joys, as well as to denounce the suffering of Your people
