INTRODUCTION TO THE 4 SPIRITUAL LAWS

INTRODUCTION

Select two or three of the following questions.

- ❖ Have you ever been in a situation where you wished you were better prepared to share the Gospel with someone? What would have been helpful?
- ❖ When you have shared the Gospel with people in the past, have you used a plan or tool to help you remember all the information? How did it work for you?
- ❖ Are you ever timid to share the Gospel? What makes you hesitate?
- ❖ Where do you encounter people who need to hear about Jesus? What places do you frequently go to, or where would be a good place to start up conversations with people about spiritual things?

PURPOSE

The purpose of this lesson is to introduce *The Four Spiritual Laws* as a method for sharing the Gospel, and the reasons why a person would want to use this method. With this method the evangelist can be brief since there are only four laws that come with it.

EVANGELISM USING THE 4 SPIRITUAL LAWS

Evangelism Using the 4 Spiritual Laws is an evangelistic method that uses *The Four Spiritual Laws* concept written by Bill Bright for Campus Crusade for Christ. This method can be used to structure our evangelism, and is available in booklet form for use as an evangelism tool. Printable versions in many languages are available from www.4laws.com. The following lesson explain *The Four Spiritual Laws* and how to use them conversationally to explain the Gospel and invite people to accept Jesus Christ as their Saviour.

Introduction to *The Four Spiritual Laws*:

You don't need a special occasion to share the Gospel message with someone. You can be ready at any time to go out and share, or to talk to someone if you have a plan. *The Four Spiritual Laws* explains the Gospel of Jesus Christ in such a simple way that anyone can understand it. Using these spiritual laws as a plan will help you be ready at any time to share the Good News. Just as there are physical laws that govern the physical universe, there are spiritual laws that govern your relationship with God. You may wish to memorize them so that you are always ready.

This is an overview of the contents of the Four Spiritual Laws booklet. The basic summary of this method of evangelism is there are four simple and straight forward points that evangelist must present in order to reach the person who is being evangelized. In other words, these four laws are constant and are needed in order to understand the Gospel and salvation. These laws include: God loves you, man is sinful and separated from God, Jesus Christ is God's only provision for man's sin, and we must individually receive Jesus as Saviour and Lord.

This four-point evangelistic model has been used by Believers for decades to introduce the plan of salvation to anyone who hasn't yet heard about Jesus. What makes this method different than similar witnessing tools is that the steps begin on a positive note.

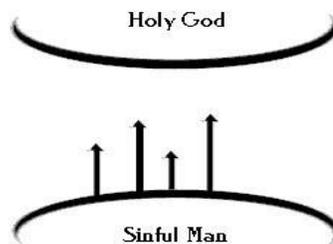

❖ **Law 1: God loves you and offers a wonderful plan for your life**

- **God's Love** – *“For God so loved the world, that He gave His only Son, that whoever believes in him should not perish but have eternal life”* (John 3:16).
- **God's Plan** – *“I came that they may have life and have it abundantly”* (John 10:10).

- When we share this booklet, we can ask a person:
 - What does the term ‘abundant life’ mean to you?
 - Why do you think most people are not experiencing abundant life?

❖ **Law 2: Man is sinful and separated from God. Therefore he cannot know and experience God’s love and plan for his life.**

- Man is sinful – *“For all have sinned and fall short of the glory of God” (Romans 3:23)*. Man was created to have fellowship with God; but because of his stubborn self-will, he chose to go his own independent way and fellowship with God was broken. This self-will, characterized by an attitude of active rebellion or passive indifference, is evidence of what the Bible calls sin.
- Man is separated from God – *“For the wages of sin is death” (Romans 6:23)*. Spiritual separation from God. God is holy and man is sinful. A great divide separates the two. Man is constantly trying to reach God through his own efforts, such as living a good life, doing good deeds or rituals.

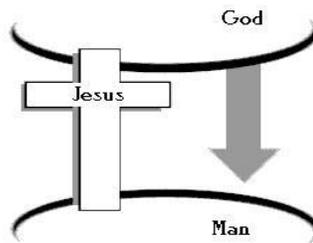

- The diagram shows that God is holy and man is sinful and a great gulf divides the two making it impossible to reach the holy God.
- There is only one way to close the gap between God and man...

❖ **Law 3 – Jesus Christ is God’s only provision for man’s sin. Through Him you can know and experience God’s love and plan for your life.**

- **He died in our place.** *“But God shows his love for us in that while we were still sinners, Christ died for us” (Romans 5:8)*.

- **He rose from the dead.** *“For I delivered to you as first importance what I also received; that Christ died for our sins in accordance with the Scriptures, that he was buried, that he was raised on the third day in accordance with the Scriptures, and that he appeared to Cephas, then to the twelve. Then he appeared to more than five hundred brothers at one time, most of whom are still alive, though some have fallen asleep” (1 Cor 15:3-6).*
- **He is the only way.** *“Jesus said to him, ‘I am the way, and the truth, and the life. No one comes to the Father except through me’” (John 14:6).*

- It is not enough to know these three laws...
- ❖ **Law 4 – We must individually receive Jesus Christ as Saviour and Lord; then we can know and experience God’s love and plan for our lives.**
- **We must receive Christ.** *“But to all who did receive him, who believed in his name, he gave the right to become children of God” (John 1:12).*
 - **We receive Christ through faith.** *“For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not a result of works, so that no one may boast” (Ephesians 2:8-9).*
 - **When we receive Christ, we experience a new birth.** *“Truly, truly, I say to you, unless one is born again he cannot see the kingdom of God” (John 3:1-8).*
 - **We receive Christ by personal invitation.** – *“Behold, I stand at the door and knock. If any one hears my voice and opens the door, I will come in to him and eat with him and he with me” (Revelation 3:20).*

DISCUSSION

- ❖ Share with the group about a past experience when you attempted to share the Gospel with someone? How did you feel? What did you learn from that experience? What would you do differently if you could repeat the experience?

- ❖ Why is it critical we do not leave out important information when sharing the Gospel? How will having a good plan prevent this?

- ❖ What are the benefits of using *The Four Spiritual Laws*? Can you think of any limitations?

- ❖ What are the various ways you can approach people before you share *The Four Spiritual Laws*?

- ❖ What are some of the questions that you might encounter while sharing these laws? How can you effectively answer them?
