Our congregation commits to being a *Mission Church* called to reach African Nations with the Gospel. We have prayerfully discerned how God would have us engage in God's mission beyond our national boundaries in covenantal partnership with The GPF Apostolic Missions Network Inc and the Afri Missions Team and we have created a plan based upon the following commitments to implement over the next three years:

1. **PRAY** regularly for partners, Mission Co-workers, and the world.
2. **EDUCATE** our members about global issues from preschool age to adult.
3. **SEEK JUSTICE** for the "least of these" in the international community.
4. **RECEIVE** the gifts of the global church (Ekklesia).
5. **GIVE** to the work of Afri Missions.
6. **SEND** our members into the world to share the Good News of Jesus.
7. **GROW** in sharing the story of God's mission with others.

We have empowered the appropriate people in our congregation to lead us in carrying out each aspect of our plan. We will maintain communication with Afrimissions Team as we live out our commitment to be a *Mission Church*.
